

Councillor Profile – Patricia Fellows

I have lived in Lancashire for a good part of my life and have lived in Euxton for the past 51 years. Retirement from my Civil Service employment gave me the opportunity to become more involved in the life of the village through being a member of the Parish Council and I was co-opted onto the Council in June 2014.

Since retiring I have continued my interest in complementary medicine, as I had already qualified as a Reflexologist, before retiring from my full time job. I have enjoyed been able to obtain further qualifications in other holistic areas, such as Aromatherapy etc.

My hobbies are upholstery (currently re-upholstering my daughter's chaise longue!), reading and photography.

I enjoy walking our dog around Euxon's lanes, which I do every day and there is a wonderful variety of wildlife you can see - including deer!

With the vast expansion of the residential areas in recent years within Euxton Parish boundaries, including large parts of Buckshaw Village, it is important that our green spaces are retained. I hope that Euxton can fight off the pursuit of ever-increasing need for more houses as I believe Euxton has absorbed enough new builds already.
